

**The first easy to use, sturdy and lightweight bag awning**

The Fiamma Caravanstore® is easy to use and install: it takes only seconds to roll it out completely. Simple and essential, Fiamma Caravanstore offers excellent shelter from sun. It is the preferred bag awning because there is also space for all the accessories and wall rafter support kit in the bag. The larger roller can be rolled-up in both ways. The new Caravanstore makes maintenance even quicker and easier.

**The fabric is perfect and wrinkle-free**

The awning fabric easily unrolls and rolls up on the convenient aluminium roller. It is wrinkle-free even after long storage and in just a few seconds it is just like new, ready to give shade. Thanks to its wide roller the Caravanstore® is easy to unroll and roll up and above all the fabric is wrinkle-free!

**The exclusive system allows the roller to roll-up in both ways.**
